Our Pres - i - dent had
How all the peo - ple
called for A mil - lion vol - un - teers Our flag had been in - sul - ted As it
cheered As this lad of ten - der years Walked up to the re - cruit - ing stand His
had not been in years A moth - er old with heart of gold which can - not be de -
eyes be - dim'd with tears The tears were for the moth - er who was giv - ing all she
nied Gave up her son her on - ly one Then said with Yan - kee pride.
had He lov'd her well then like a bell These words came from the lad.
